

MATERIALS

3D knit fabric: polyester-knitted weave made of threads of varying strength for optimal support.

High density foam cushion: contoured cushion evenly distributes weight for a comfortable sit.

Polymer frame: built from glass-reinforced polyamide to last countless 9-to-5's.

Aluminum base: made of powder coated aluminum for a lasting foundation of work.

Scratch-proof casters: durable nylon ideal for multiple floor types.

RETURN POLICY

Like-new Branch products in their original packaging can be returned for a refund within 30 days of purchase.

WARRANTY

7-year warranty. View our full policy at branchfurniture.com/pages/returns-and-warranty.

CLEANING AND CARE

Base and frame: use a gentle, non-ammonia cleaning product to shine and remove scuffs.

Seat: use a furniture spot-cleaner to remove any stains from your chair. Avoid bleach and water-based cleaning products to prevent discoloration.

Verve Chair

OVERVIEW

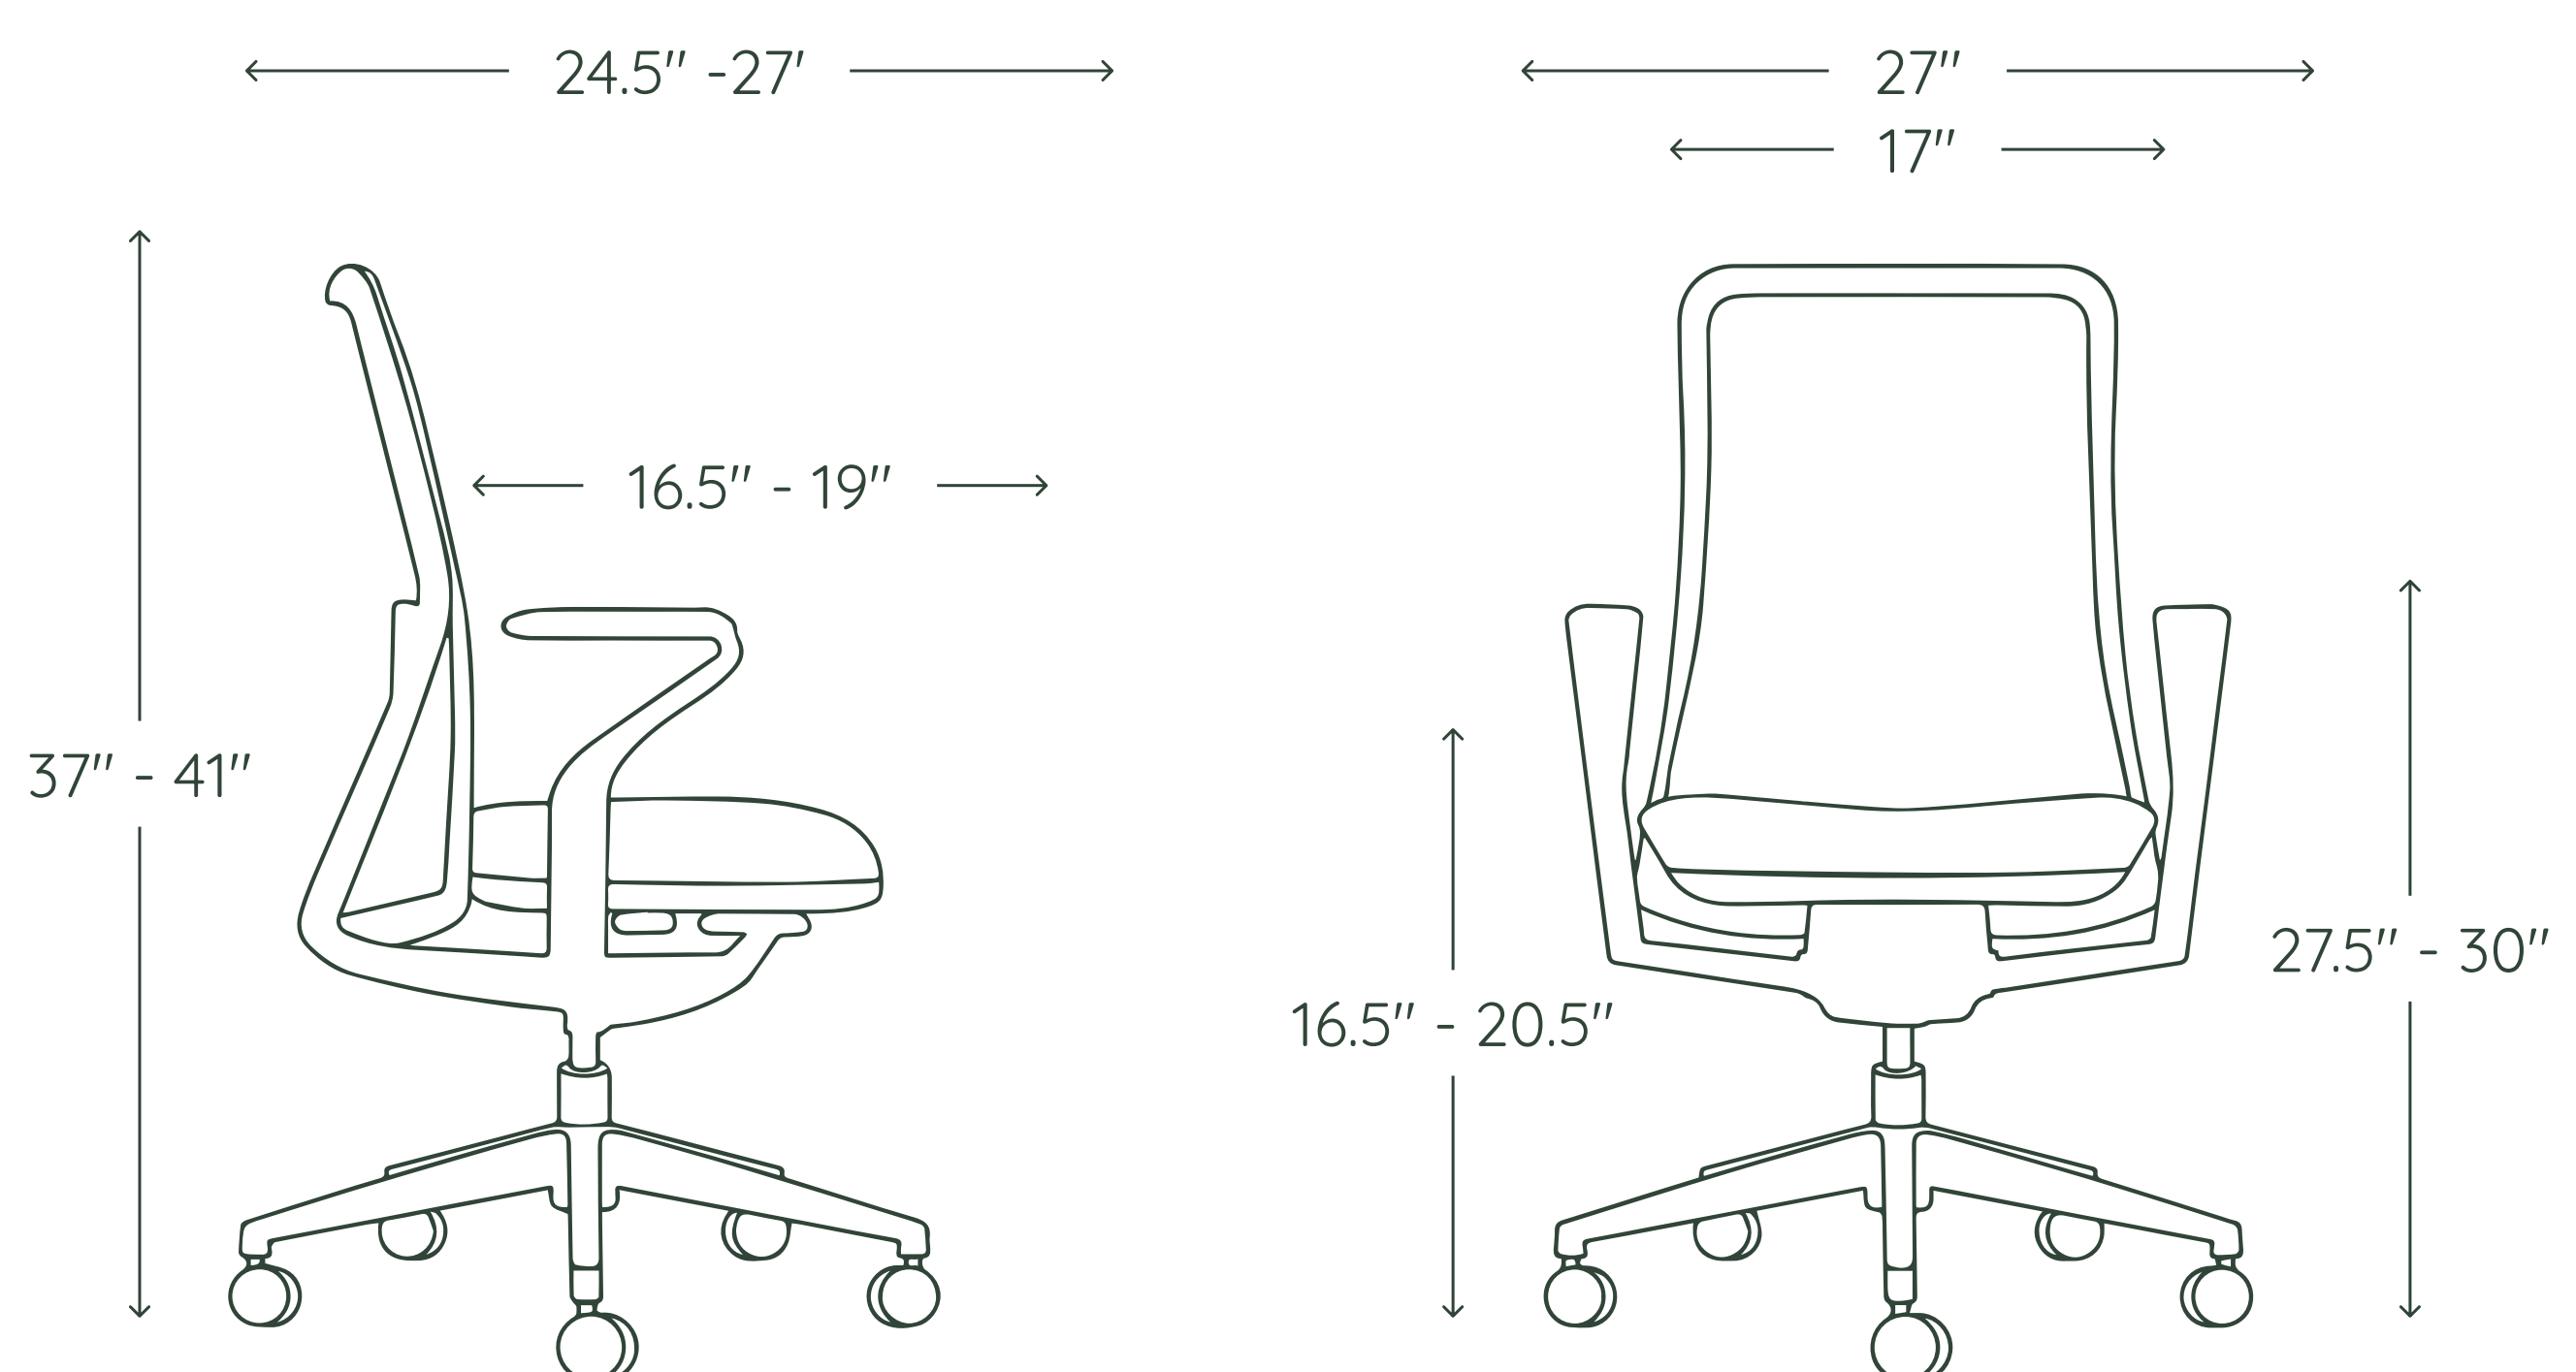

Verve is a high-performance work chair that's been obsessively engineered to create a striking silhouette, playful palette, and approachable ergonomics with six points of easy-to-use adjustments.

Wrapped in a unique 3D knit, its V-shaped suspended back offers integrated and adjustable spine support for continuous comfort. Precise color matching across materials produces a truly unified palette that enables anyone to create eye-catching sightlines in the home or workplace.

Certified Greenguard Gold for low VOC emissions.
