

MATERIALS

Seat fabric: upholstered seat in 100% post-consumer recycled polyester fabric

Base: made of beech plywood covered with an ash top veneer. Features an integrated rubber disk suitable for use on any surface.

Steel gas lift: easy and smooth steel gas lift with 10" of height adjustment.

RETURN POLICY

Like-new Branch products in their original packaging can be returned for a refund within 30 days of purchase.

WARRANTY

3-year warranty. View our full policy at branchfurniture.com/pages/returns-and-warranty.

CLEANING AND CARE

Base and frame: use a gentle, non-ammonia cleaning product to shine and remove scuffs.

Seat: use a furniture spot-cleaner to remove any stains from your chair. Avoid bleach and water-based cleaning products to prevent discoloration.

Move Stool

VARIER

OVERVIEW

The Move stool is the original wobble chair designed by Norwegian designer Per Oie for Varier. Intentionally designed to move with the body, the soft edges of the seat paired with the rounded wooden base allow for an extended range of motion.

Ideal for workers who alternate between sitting and standing at work, short work sprints or a team touch base, and small nooks and dynamic workspaces.

The Move Stool is height-adjustable and features a base with an integrated rubber disk that makes it suitable for use on all kinds of surfaces, from tiles to wooden or carpeted floors.
