Adjustable Footrest (Open Box)

OVERVIEW

Designed for those whose feet don’t naturally reach the floor when seated with proper posture, the Adjustable Footrest is as visually stunning as it is ergonomic. This accessory provides a designated place for your feet, ensuring proper alignment of your spine and pelvis while seated, and alleviating pressure on the lower back. The intuitive height adjustment system offers a smooth 1.8” range, allowing you to find your ideal position with effortless precision.

Available in two sophisticated plywood finishes, the Adjustable Footrest seamlessly integrates into any workspace aesthetic. Its innovative curved deck features a textured grip surface that provides the perfect balance of comfort and stability. Improve your seated experience with this thoughtfully crafted companion that ensures everyone can achieve perfect ergonomics without sacrificing style.
